

UltraS HD 19'' 1U Enclosure

4 x Module Cassette or 4 x Adapter Panel,
Fixed, Lite Type

Description

The T&S UltraS 1U Rack Mount Fiber Enclosure is engineered to accommodate up to four Ultra family module cassettes or fiber adapter panels. This modular and versatile solution is ideal for a wide range of fiber optic patching and termination applications. The simplified design provides an additional lightweight and easy-to-install option, making it an excellent choice for your renovation projects.

The UltraS comes in two versions: version A for metal adapter panels and cassettes, and version B for plastic adapter panels and cassettes.

Features

- Durable and lightweight aluminum construction
- Textured black powder coat finish
- Universal 19" rack compatibility
- Simple design with an open top
