

36-port LC(Duplex) Metal Adapter Panel

Match for UltraX/Y/N/S Series Enclosures

Description

The LC Adapter Panel from the Ultra product family comes pre-loaded with LC duplex fiber adapters featuring a patented inter-shutter design, ensuring efficient connections between backbone-to-backbone or backbone-to-horizontal fiber cabling. When paired with Ultra series enclosures, it provides a stable, compact solution that significantly simplifies the deployment of optical network infrastructure, while offering operators traceable connections, enhanced eye-safety protection, and an IP5X-rated dust-proof guarantee.
