

LC Duplex

INTERNAL SHUTTER ADAPTER

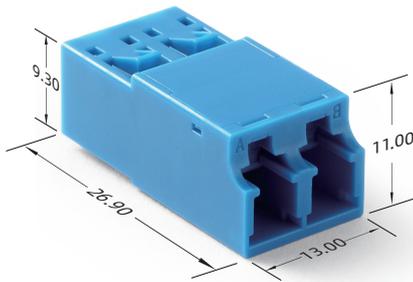

Patented Product, Dust-Proof, Eye Safety Shutter

LC Adapter with Plastic Cover

LC Adapter with Metal Cover

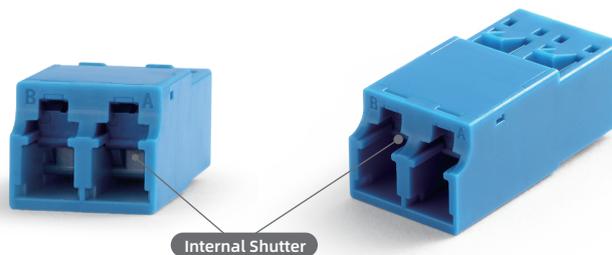

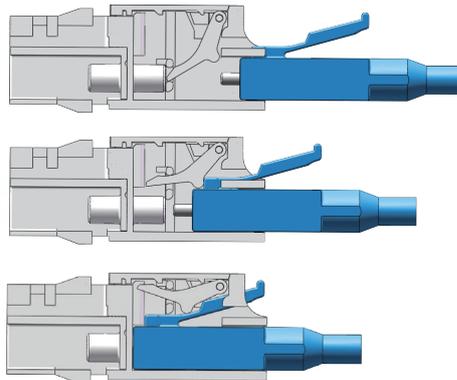

Description

T&S patented LC Duplex Adapter combines ordinary design with benefits of internal shutters, which provides maximum protection from lasers, dust, and other debris while protecting the ferrule. No dust cap is required for front receptacle. It's dedicatedly designed for LGX box used in rack-mounted fiber optic patch panels and module cassettes in data center for fiber cabling applications.

Features

- SC simplex & LC duplex adapter footprint
- Without flange
- Ideal for high-density packaging
- No dust cap required for front receptacle
- Available in a variety of housing colors
- Compatible with T&S SmartX Fiber Management Platform
- Internal shutter touches no ferrule

Shutter Mechanism
